# ABOUT THIS RESOURCE

This resource has been designed by Priority 1-54's resident graffiti artists to support Anti-Bullying Week 2023.

Use the words to start a creative conversation with children and young people around the theme of Make a Noise About Bullying.

# EXPRESS YOURSELF WITH ART

Children and young people can use highlighter pens, pencils, paints or felts for colouring in their artwork. Or they can mix them together...try experimenting!

Remember there is no wrong or right way to do the artwork, just your own unique style.

# ABOUT PRIORITY 1-54

Our aims are to **inform**, **inspire**, and **empower** children and young people in spaces where they live, learn and play.

MAKE  
BOSS  
BOUR  
BULLHORN

A black and white graffiti-style illustration of the words "MAKE BOSS BOUR BULLHORN" in a highly stylized, bubbly font. The letters are thick and outlined, with many stars and decorative elements scattered throughout the composition. The words are arranged in four rows: "MAKE" at the top, "BOSS" in the second row, "BOUR" in the third row, and "BULLHORN" at the bottom. The style is reminiscent of 1980s or 1990s graffiti art, with a focus on bold, expressive letterforms and a sense of dynamic movement. The background is plain white, making the black ink stand out prominently.
